

**#11689**  
**5" PSA Disc Roll**

Added stearate acts as a lubricant to reduce loading or clogging. Reduced loading and prolonged disc life for larger preparation and finishing applications. Packaged in roll form for convenient use.

**Specifications**

|                                  |                |
|----------------------------------|----------------|
| <b>Diameter</b>                  | 5"             |
| <b>Max RPM</b>                   | 12,004         |
| <b>Brand</b>                     | SHUR-KUT™      |

**Features / Applications**

Larger scale grinding and finishing in portable form, and shaping, deburring or blending against stationary grinders, SHUR-KUT™ PSA and Hook & Loop discs offer several coated materials to match demanding metalworking applications. The PSA and Hook & loop fastening systems are easy to apply and remove for fast changeover, maintaining efficient productivity throughout production. Available in paper and cloth, both servicing a variety of industrial applications.
