

#12146 9" x 11" Sheet

Durable, flexible cloth backing and dense grains conform to cylindrical or contoured parts. Cut or tear to useable size to accommodate various tasks and reduce waste.

Specifications

Features / Applications

General purpose product form can be cut to size, folded, or used in full sheets for a variety of maintenance or machine shop applications. Durable cloth materials flex and conform to contours and cylindrical parts and withstand aggressive applications. Paper backings adapt to corners and acute geometries and can be wrapped around dowels for finishing small tubes or holes.
