

#12174 9" x 11" Sheet

Flexible cloth backing with self-sharpening, fine grained abrasives. Used for final sizing and fitting of critical components where excess material removal is not necessary.

Specifications

Width	9"
Length	11"
Brand	SHUR-KUT™
Material Type	Coated
Abrasive Grain	Emery
Color Family	Black
Backing Type	Cloth
Backing Weight	J-Wt.
Product Form	Sheet
Grade	CRS
Standard Package Quantity	25
Stock Status	Stock
·	

Features / Applications

General purpose product form can be cut to size, folded, or used in full sheets for a variety of maintenance or machine shop applications. Durable cloth materials flex and conform to contours and cylindrical parts and withstand aggressive applications. Paper backings adapt to corners and acute geometries and can be wrapped around dowels for finishing small tubes or holes.

	Sharp fractures produce fine
	cuts
Features	Minimal surface removal for
	critical or sensitive applications
	Delicate rust removal
