

**#21306**
9" x 11" Sheet

Silicon carbide grains provide a sharp, fine cut. Thin, paper backing conforms to undulations and variable contours. Use with water or lubricants for much finer finishing and polishing.

Specifications

Brand	SHUR-KUT™
Material Type	Coated
Abrasive Grain	Silicon Carbide
Grinding Aid	No
Color Family	Black
Backing Type	Paper
Backing Weight	C-Wt.
Grain Coverage	Closed Coat
Waterproof	Yes
Product Form	Sheet
Grit	100
Standard Package Quantity	50
Stock Status	Stock

Features / Applications

General purpose product form can be cut to size, folded, or used in full sheets for a variety of maintenance or machine shop applications. Durable cloth materials flex and conform to contours and cylindrical parts and withstand aggressive applications. Paper backings adapt to corners and acute geometries and can be wrapped around dowels for finishing small tubes or holes.

Features

Sharper grains produce brighter and finer scratch patterns
Cut and polish non-ferrous metals
Use wet for finer polishing
