

#28970
2" x 1" x 1/4" Flap Mop

Slotted flaps increase ability to conform to edges and contours. The softer J-weight cloth backing flexes over irregular surfaces easily. Easily navigate intricate shapes without damage.

**Specifications**

| | |
|----------------------------------|----------------|
| Diameter | 2" |
| Width | 1" |
| Shank Diameter | 1/4" |
| Max RPM | 20,000 |
| Opt RPM | 12,000 |
| Brand | SHUR-KUT™ |
| Material Type | Coated |
| Abrasive Grain | Aluminum Oxide |
| Color Family | Brown |
| Backing Type | Cloth |
| Backing Material | Cotton |
| Backing Weight | X-Wt. |
| Bond Type | Resin/Resin |
| Grain Coverage | Closed Coat |
| Mounting | Shank Mounted |
| Product Form | Flap Mop |
| Grit | 320 |
| Standard Package Quantity | 10 |
| Stock Status | Stock |

Features / Applications

Flexible flaps are arranged radially around a center core allowing high removal and finishing rates with reduced pressure and fatigue from operators. The flexibility of the flaps allows excellent control and conformability on contours and inside or around intricate parts. As the grains wear away, so does the cloth backing, continually exposing fresh abrasive material and sharp cutting grains. The variety of shapes and sizes available provide versatility in grinding, deburring and polishing flat or contoured surfaces and edges. Several mounting options are available for many tools, including right angle grinders.

Features

Deburr and polish irregular surfaces
Added control and finesse
Controlled finishing of intricate parts
