

#30507
1″ x 42″ Coated Belt

Tough, durable grains for extended life on high pressure applications. Continually sharp cutting surfaces provide excellent cut in finishing and polishing applications. Additional grinding aid to reduce friction and premature breakdown where heat
generation is of concern.

Specifications

Width	1"
Length	42"
Brand	SHUR-KUT™
Material Type	Coated
Abrasive Grain	Zirconia
Grain Enhancement	Grinding Aid
Grinding Aid	Yes
Color Family	Green
Backing Type	Cloth
Backing Material	Polyester
Backing Weight	Y-Wt.
Bond Type	Resin/Resin
Grain Coverage	Closed Coat
Product Form	Belt
Grit	80
Standard Package Quantity	50
Stock Status	Non-Stock

Features / Applications

Due to the size range of coated belts, applications range from small inside corner weld removal to coil and sheet steel surface finishing. The availability of backing weight and flexibility allows use with small airfile contact wheels to larger diameter drum or cylindrical grinding. Durability also prevents stretch or slack in backstand applications, allowing coated materials to perform properly with consistent wear.

Features	Aggressive, sharp cut on stainless steel Dissipates heat and resists loading Extended performance and stock removal Fresh cutting edges exposed during use
