

**#36684**
2" Type R Quick Change Disc

Long lasting, durable grains and sharp cutting action with additional grinding aid to reduce heat generation. Cooler cut reduces friction and premature breakdown of grains and backing.

Specifications

Diameter	2"
Button Type	Type R
Max RPM	30,000
Opt RPM	10,500
Brand	SHUR-KUT™
Material Type	Coated
Abrasive Grain	Zirconia
Grain Enhancement	Grinding Aid
Grinding Aid	Yes
Color Family	Green
Backing Type	Cloth
Backing Material	Polyester
Backing Weight	Y-Wt.
Bond Type	Resin/Resin
Grain Coverage	Closed Coat
Product Form	Quick Change Disc
Grit	40
Standard Package Quantity	100
Stock Status	Stock

Features / Applications

The reduced diameter of quick change discs provide ease of use on intricate parts, and excellent control when shaping or blending surface portions. Ideally used on flat surfaces to utilize more cutting action, the moderate flexibility of quick change discs and their holders also allow contouring and access to inner corners. The unique quick change functionality reduces changeover downtime and eases transitions between grit, material, or even abrasive type where multistep processes are required.

Features

Extended stock removal with low heat generation
Aggressive grinding on stainless steel
Hybrid grain exposes fresh cutting edge during use
