

**#55061**
5" x 7/8" Stripping Disc

Fiberglass reinforced backing plate allows increased pressure for harder surface coatings. Quickly clean or prep large areas without clogging or loading. Extended product life reduces changeover frequency.

Specifications

Diameter	5"
Arbor Diameter	7/8"
Shape	Depressed Center
Max RPM	9,800
Opt RPM	7,800
Brand	SHUR-BRITE™
Material Type	Nonwoven
Nonwoven Class	Red
Nonwoven Category	Stripping
Grain Enhancement	Red
Product Form	Depressed Center
Grade	XCRS
Standard Package Quantity	10
Stock Status	Non-Stock

Features / Applications

Stripping products are aggressive enough to quickly remove layers of paint, residue, corrosion or rust, but the flexibility will not alter or reshape the solid surface underneath. The open, nonwoven structure resists heat buildup, which could cause excessive loading of some surface layers. Stripping products can be used on all sides and offer consistent performance throughout life.

Features

Used on large, flat or contoured surfaces
Efficiently strip paint or coatings from large machinery
Easily remove epoxies or other tough coatings
